Involvement

During the winter semester, I continued as a member of the Activities Committee and the Club Budget Committee. I also attended the two meetings to review the Augustana Campus Planning & Design Guidelines. One of Kyra Gusdal's (my co-representative) initiatives was to introduce an Augustana mascot. I helped her with this initiative by assisting the mascot during a game. The Asa held our bi-annual off-campus supper in February and I helped get feedback from the off-campus students.

Committee Membership

As a member of the activities committee, I helped with the Winter Formal and Casino Night. For Winter Formal I helped with the set-up the day before and day of the event. I had bus duty for the latter part of the night so did not take part in the pack-down. For Casino night, I was the dealer for one of the game tables and helped with set-up and pack-down.

Personal Initiatives

This semester, I hosted a table tennis tournament during the test period, where the prize was a Fox and Fables gift card. The purpose of this event was to de-stress students during a normally high-stress time period. I also had a jar of random questions that I sat in the Hoyme lobby with a few times, to get to know more first-year students.

Conclusion

My time as a first-year representative was very interesting and I had a wonderful time getting to know and work with my fellow council members.
